CRAWFORD COUNTY  
SOCIETY FOR CRIPPLED  
CHILDREN AND ADULTS

*With the new growth of the spring season approaching, we find it is time to think about helping the children and adults of our community with their future growth and specific needs.*

*We are asking for your help in the 2009 spring appeal campaign. It is a great opportunity to contribute locally in helping enhance the daily lives of the physically impaired.*

*The Crawford County Society for Crippled Children and Adults, founded in 1957, with the help and generosity of volunteers and various health departments, has been able to provide many services such as wheelchairs, wheelchair ramps, van lifts, assistance with medication, rehabilitation services, speech clinics, and handicapped parking spaces.*

*The Annual Spring Appeal is our major means of generating funds. Your contribution is tax-deductible, and 100% of the funding is used in Crawford County.*

*As this year's campaign chair, I extend my thanks and the appreciation of the board for your past, present, and future support.*

*Sincerely yours,*

*Dan Price*
